3.6×

inline \inv

```
> run --step
```

```
> first this
```

```
> run --step
```

```
> first this
```

```
> then this
```

```
> run --step
```

```
> first this
```

> then this

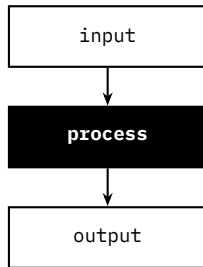

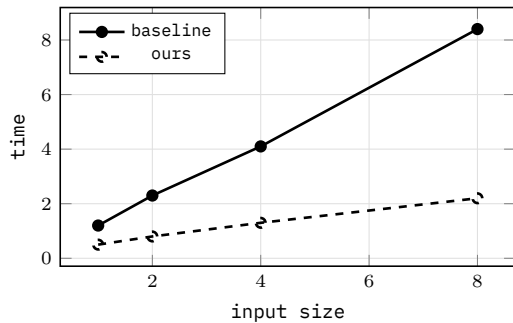

```
> and finally this
```

```
> cd section_03
```

03

TABLES AND PLOTS

```
> booktabs rules suit the black-and-white look
```

```
$ talk --questions
```

QUESTIONS?

```
[Your Name] // [email]
```

note

after \appendix, slides are not counted in the footline total
